

**DIRECT LINK  
TO YOUR INDIVIDUALLY  
DESIGNED PAYMENT  
WEBSITE YOU'VE**

## **nexi** Paylink

The simplest way to enter the world of e-commerce

**Send payment requests conveniently via email and lead your customers directly to your individually designed payment website.**

### **NEXI ONE PAGE SHOP**

With only a few clicks, your business is ready for e-commerce: create your own web shop and offer your goods and services for online sales.

### **A ONE PAGE SHOP FOR EVERY OCCASION**

In the 'look and feel' area of your back end, you can create various thematic and occasion-specific One Page Shops. You can use any of the One Page Shops you've created as a

template for further use, thus enabling you to create a new One Page Shop for any occasion in just a few steps. With an unlimited number of One Page Shops that you can create in your back end, you have the utmost flexibility and design freedom.

Integrate your items for order or services into the Nexi One Page Shop and design a number of sales promotions.

## ONE PAGE SHOP IN SOCIAL MEDIA

Make use of the potential of your social media channels. Expand the use of your One Page Shop to social media channels by integrating the link to your One Page Shop in your posts, for example on Facebook, and make your customers aware of your special offers. And when it has to be really quick – you can quickly and easily forward the link via WhatsApp, Viber and other messenger apps.

## YOUR BENEFITS

- Can be used without programming skills
- Quick configuration
- Flexibly adjustable templates
- All standard payment methods available
- High level of security with 3D Secure payment

## PAYENGINE TEST VERSION

Would you like to give Payengine a try with no obligation? Then get started with your personal test account. After registration, you will be granted complete access to all functions.

Your account will be activated shortly after conclusion of the contract. Your settings and entries will be saved.

Register directly at:
