

## nexi Payment Gateway

An innovation for the front office with integrated payment processing

**The Nexi Payment Gateway enables card payments, smooth trading processes, attractive additional services and easy integration into your payment processes. It also comprises a terminal that meets the highest security standards.**

The Nexi Payment Gateway supports all payment methods, ranging from credit and debit cards to Alipay transactions and wallet payments. Various interfaces facilitate integration into your existing hotel management system.

For more information on the Nexi Payment Gateway, please visit:
