Instalment payments at the point of sale

With easyCredit you can now offer your customers the option of paying in instalments directly on the card reader. The 'buy now – pay later' principle is now one of the most popular payment methods and facilitates the option of financing purchases between €200 and €10,000 in a simple and straightforward way.

AN EASYCREDIT TRANSACTION ON THE TERMINAL IS SIMPLE

Ingenico

1. Press the 'F' button
2. Select 'easyCredit' as the transaction type
3. Enter the amount

CCV

1. Select button "Favoriten"
2. Select button "Ratenkauf"
3. Enter the amount

EASYCREDIT AT A GLANCE

CONTRACT CREATION AND PRODUCT SET-UP

- In the course of creating the contract, you will receive an email from our partner, Teambank, with login details for the partner portal, your personal QR code and a link to the instalment calculator and training documents.
- We will then activate easyCredit on your card reader.

IMPORTANT NOTE ON PAYMENTS

- The payment mode you have agreed with Nexi for girocard and credit card transactions remains unchanged. The payment is made by Nexi.
- Payments for easyCredit transactions, less the contractually agreed factoring fee, are made directly by Teambank after 16 banking days and not via Nexi.

INFORMATION ON TRANSACTION PROCESSING

- The easyCredit transactions are processed via the card reader and automatically forwarded to Teambank.
- easyCredit transactions are shown separately on the end-of-day reconciliation
- easyCredit transactions can be managed in the partner portal provided by Teambank.
