

## Legend

<b>Domestic</b>	Domestic transactions, i.e. transactions completed using a card which was issued in the same country where the transaction is being carried out (card-present business) or the country where the merchant's headquarters are located (distance selling).
<b>Intraregional</b>	Transactions completed using a Visa card issued within the Visa Europe region and which take place in a country within the Visa Europe region, or completed using a Mastercard or Maestro card issued within the Mastercard Europe region and which take place in a country within the Mastercard Europe region.
<b>Interregional</b>	Transactions completed using a card issued outside of the Visa Europe region or outside the Mastercard Europe region.
