

Optional
settlement of
bonus and loyalty
cards

The next generation of card acceptance

Concardis Desk 5000

Visually appealing terminal with a clear operational structure and the latest technology. Powerful and fast transaction processing combined with the optional processing of bonus and loyalty cards take processing payments and make it second nature.

With the high-resolution touch display and the clear operational structure, the Concardis Desk 5000 supports you in your daily card payment business. With the customer-friendly positioning of the contactless reader, even payments made with NFC-enabled smartphones are easy to manage. It can be installed flexibly at changing locations thanks to the option of communication via Wi-Fi. The fast processor and the large memory ensure that your terminal is secure over the long term.

Your benefits

- Powerful 64-bit processor
- Flexible positioning thanks to Wi-Fi
- Touchscreen for easy operation
- Expandable for bonus and loyalty programmes
- Customer-friendly positioning of the contactless reader

About Concardis

Concardis is a leading provider of digital payment solutions with 1,100 employees and more than 116,000 customers in Germany, Austria and Switzerland as well as south-eastern Europe. As part of the Nets Group, a leading payment provider in northern Europe, we are working towards the future of payment. With innovative payment solutions for the stationary point of sale and online retail as well as

attractive extra services, we enable merchants, service providers and financial institutes to take advantage of the digitisation of payment and business processes.
