

Flexibility in a compact design

Concardis Mobile Premium

Mobility with no loss of performance: its compact size and ability to switch between 4G and Wi-Fi make the terminal the perfect partner for flexible service in cafes and restaurants, delivery services or personal transport.

Handy and light, it supports all mobile sellers and restaurateurs with its ability to switch immediately between 4G and Wi-Fi (via soft key) and its clear, bright and large touchscreen. It also stands out for its elegant and high-quality design. Premium mobility for the highest demands, with one of the most compact and functional mobile terminals.

The contactless reader and signature pad are already integrated. The Concardis Mobile Premium is approved in line with the latest standards without a privacy shield.

About Concardis

Concardis is a leading provider of digital payment solutions with 1,100 employees and more than 116,000 customers in Germany, Austria and Switzerland as well as south-eastern Europe. As part of the Nets Group, a leading payment provider in northern Europe, we are working towards the future of payment.

We enable retailers, service providers and financial institutes to take advantage of the digitisation of payment and business processes.
