

Flexible  
communication

World's most compact mobile terminal

# Concardis V400m

A powerful mobile payment terminal with a wide range of possible uses. The perfect partner for delivery services, restaurants and taxis.

A compact mobile terminal whose equipment and construction set great store by user-friendliness and stability. The large display made from tempered Gorilla® Glass, the powerful battery and the faster-than-average printer are features that can add real convenience in daily use. Flexible communication via Wi-Fi and mobile service ensure that the terminal can be used conveniently by your customers in any payment scenario.

#### Your benefits

- Compact dimensions (161 × 73 × 59 mm)
- Low weight (412 g)
- Stable construction
- Approved without privacy shield

## About Concardis

Concardis is a leading provider of digital payment solutions with 1,100 employees and more than 116,000 customers in Germany, Austria and Switzerland as well as south-eastern Europe. As part of the Nets Group, a leading payment provider in northern Europe, we are working towards the future of payment. With innovative payment solutions for the stationary point of sale and online retail as well as

attractive extra services, we enable merchants, service providers and financial institutes to take advantage of the digitisation of payment and business processes.

Do you have any questions or are you interested in additional Concardis products and services? Call us on +49 69 7922-4060.
